

# LDF Match Directors Safety Briefing

- ◆ Welcome everyone to LDF and USPSA.
- ◆ Thank all stage builders.
- ◆ Do we have any new shooters to this range or USPSA?
- ◆ This is a cold Range.
- ◆ Safe Areas locations.
- ◆ 90 or 180 Degree rule from the main impact area.
- ◆ Keep your finger out of the trigger guard while moving, reloading & unloading.
- ◆ Bring all safety issues directly to the match director.
- ◆ Each squad becomes cold at the completion of there last stage, NO SHOOTING OF ANYKIND. This will continue until the entire range is cold at that point all the props and equipment must be stowed prior to the Match Director making the range hot again.
- ◆ No function firing with out match Directors approval
- ◆ Watch for the Miner on the hill.
- ◆ Help your squad with setting steel, scoring and picking up brass.
- ◆ Please complete your score sheets.
- ◆ Squad leaders collect and turn in score sheets to Bill or Paul.
- ◆ We are using USPSA safety and scoring rules.
- ◆ Help with breaking down and cleaning up after the match.
- ◆ Be respectful to one another and have a good time shooting.
