Old Business:

State of LDF:

Paul said the state of LDF has grown stronger from the preceding year with improvements for the web site, increased membership and much better equipment. Thus LDF is now well positioned with regard to equipment to host major matches. However the membership still needs to bridge the gap for our common goal of match shooting. The production of 4-5 Steel Shoot matches has been a success for the club.

Financial Report:

Financial report was made declaring the net balance for all accounts to be about \$30,000. The checking account balance of about \$10,000 and a money market balance of about \$20,000. Annual revenue produced no net gain or loss compared usual operating expenses. The overall net reduction in club assets was spent on equipment improvements.

Trophy Chase Report:

The result from the referendum regarding the Trophy Chase was greater than 2 to 1 in favor for contestants to have two or more shooters in a class for valid competition. The criteria will be posted on the web site for people to review.
